Greetings and thanks for your note. I'll look forward to seeing you this evening. Let's plan to touch base this afternoon to figure out the best time to meet. I need to drop our son off at soccer practice at 6:30 p.m. so I probably won't be able to get to the Gaylord until 7:30 p.m. Hopefully that will work with your schedule. Kurt:
Greetings and thanks for your note. I'll look forward to seeing you this evening. Let's plan to touch base this afternoon to figure out the best time to meet. I need to drop our son off at soccer practice at 6:30 p.m. so I probably won't be able to get to the Gaylord until 7:30 p.m. Hopefully that will work with your schedule. Also, here's a PDF of the agenda.

A dialog box is displayed after successful saving of the items. A link is displayed containing the location where you have saved the item.

Step 5: Click the link to view the item at specified location. Else, click **OK** to exit.
